Fine particle filters Dahle 20710

Environmentally friendly oil is always easy to access, included with all cross-cut models

Pull-out rounded top frame that's kind on the fingers when changing the waste bag

Integrated oil tank for controlled, automatic lubrication of the cross-cut cutters helps to lengthen service life while keeping performance constant

Environmentally friendly filter is made of special 3-ply, fully recyclable non-woven material

Powerful fan sucks in fine dust particles inside the document shredder and feeds them to the filter

P-5 security: recommended, for example, for data media containing secret data
